SECTION 01 · INTRODUCTION

ABOUT US

Everything from Herbs – Crafted by Experts

Švenčionių vaistažolės (SVF) is one of the oldest herbal product manufacturers in the Baltic States and Europe, with over 143 years of tradition.

Founded in 1883 in Švenčionys, Lithuania (EU), the company has grown from a small herb purchasing house into a modern manufacturing facility equipped with the latest technology, while preserving the sourcing, drying, and blending expertise built over generations.

Support for new and growing brands

Low minimum order quantities and direct support partners entering new markets.

Pharma quality & own laboratory

Blend formulation and testing are carried out in-house under pharmaceutical quality standards.

140+ years of expertise

Deep, continuous experience in herb sourcing, processing, and blending, refined since 1883.

Private label across the full assortment

More than 400 blends can be manufactured and packaged under your own brand.

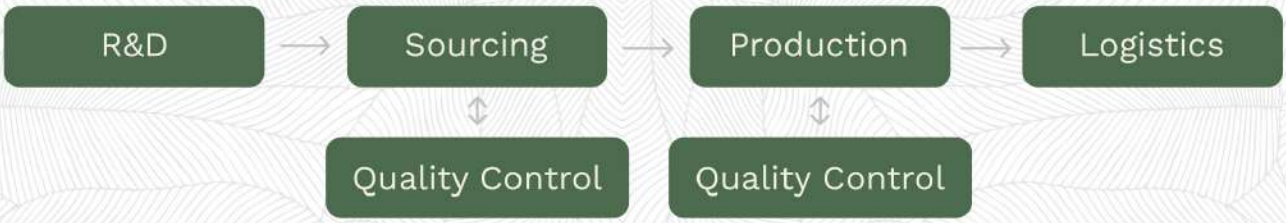

OUR SERVICES

- Private label (CMO)
- Cutting & milling
- Contract manufactruring (CDMO)
- Mixing & blending
- Packaging service
- Herbs in bulk

Private label

Full-cycle contract manufacturing tailored to your standards — from recipe formulation in our in-house R&D lab to production and certified, sustainable packaging, with multiple quality control checkpoints throughout.

Brand distribution

Our products are distributed internationally, including several Amazon's Choice-rated lines. Distribution partners receive marketing support and expert market insights to support regional sales. Minimum order for new partnerships is from €2000 per invoice.
